

## NYS-MEP Student Forms for use in Program Year 2025-26

**Direct link:** <https://www.nysmigrant.org/resources/downloads/Student-Forms>

**Path:** Resources > Program Documents > Student Forms

### [2025-26 Kicking the Year Off with a Great Start](#)

A handout to support and guide METS/staff planning in program year 2025-26 regarding NYS-MEP assessments, professional development/training requirements, and information about Support and Learning Communities.

### [2025-26 METS Menu for Statewide Professional Development](#)

Browse the flyer to view topics and presenters who will meet with METS staff. Topics range from MEP program support to general technology support.

### [Academic Service Intensity Rubric \(ASIR\)](#)

Educators and Directors use the ASIR with the needs assessment data collected to determine the individual Service Level for each student in program year 2025-26.

### [NYS-MEP Service Delivery Plan \(2025-28\) Required Services Charts](#)

This document REPLACES the 2024-25 Service Level Requirements chart. It contains all services and required strategies for each subgroup, to meet concerns for migratory students and families in program year 2025-26.

### [OPTIONAL Student Needs Data Collection Form \(2025-26\)](#)

Optionally, this form can be printed and used during the needs assessment process for Educators who prefer a hard copy to assist them during data collection out in the field. Then, the data contained in the form needs to be input into Web App.

### [OSY Profile](#)

Educators use OSY Profile to collect additional needs assessment data for OSY students for program year 2025-26. Options: Educators can enter the responses in Web App, and METS can print individual copies from MIS2000.

### [Personal Learning Plan \(PLP\)](#)

Educators use the PLP to set and track short-term educational goals with Level 2 OSY in program year 2025-26. Options: Educators can enter the information in Web App or use this form.

### [Student Needs and SDP Data Elements](#)

This document REPLACES the 2024-25 Student Intake Form (SIF) Guidance. It explains how to enter the student needs and SDP data in Web App.

### [Supplemental Service Codes](#)

Provides titles, code numbers, and definitions for the Supplemental Service Codes used on MIS2000 and Web App during program year 2025-26.

## NYS-MEP Assessments: 2025-26 Guidance, Score Sheets, and Other Tools

**Direct link:** <https://www.nysmigrant.org/resources/library>

**Path:** Staff Library > Library filter: *NYS-MEP Assessments* > Select BOLST, ECA, or easyCBM

### [Basic Oral Language Screen Tool \(BOLST\)](#)

The Basic Oral (English) Language Screening Tool (BOLST) is the statewide assessment to screen the basic oral language skills of migrant eligible Out-of-School Youth (OSY) and to assess their growth from the beginning to the end of a period of instruction from pre- to post-testing. This assessment is also designed to be a guide to help the educator understand where to start with instruction and what skill areas need additional support, alongside the expressed needs of the student.

### [Early Childhood Academic \(ECA\) Tool](#)

The NYS-MEP Early Childhood Academic Tool is the statewide assessment screening used with preschool students. Access the forms and watch the training video to learn about what is new for program year 2025-26.

### [easyCBM](#)

Quick access to training videos, program year updates, and the easyCBM log in link, to assist you with administering the assessment in program year 2025-26.
