## Prep Ahead of Time – Show Computer Taskbar

1. When the Zoom screen has the choice to **"Exit Full Screen,"** then it is currently using your whole screen. You **cannot see the time or access the volume or "start" for your device.**

---

---

---

---

---

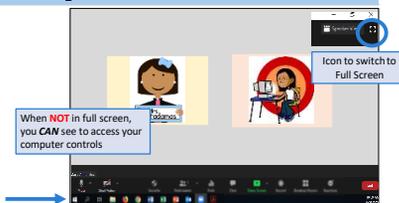

---

---

---

## Prep Ahead of Time – Show Computer Taskbar

2. When the Zoom screen has the **ICON to switch to Full Screen,** then you can see the time and access your computer's task bar.

---

---

---

---

---

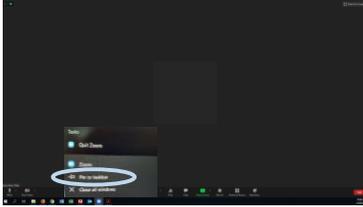

---

---

---

### Prep Ahead of Time – “PIN” Zoom to Taskbar

3:  
 Find your Zoom icon on your computer taskbar.  
 Right click on the Zoom icon to see choices.  
 If it isn't already, select "Pin to taskbar."

## Host View

**Student Copy**

**Form 5**

Every afternoon, when Jared was done with school, he came home and until dinnertime. At school, instead of going to recess, he would sit in the cl and read. When he was younger, his mom had given him the nickname "Book Worm" because he read all the time. Jared loved reading, but sometimes he felt lonely. It was hard for him to make friends because the other kids didn't understand why he spent so much time reading.

**Bonus: Share Screen and Annotate (Host)**

- As the HOST, you can annotate any time you share a document or if you share the Whiteboard.

---

---

---

---

---

---

---

---

**Bonus: Share Screen and Annotate (Host)**

- Text – create a text box to type in
- Draw – choose curvy lines, straight lines, arrows, shapes
- Stamp – Choice of 6 shapes to stamp on
- Spotlight – Chose a “laser” to move around, or an arrow stamp with your (video) name written in it

---

---

---

---

---

---

---

---

**Bonus: Share Screen and Annotate (Host)**

- Format – Change colors and width/size of what you are writing or coloring with
- Mouse – Get your mouse back so you can stop sharing, or change pages
- Clear – The drawings will stay up if you don’t “clear all”

---

---

---

---

---

---

---

---

**Bonus: Share Screen and Annotate (Your Participants)**

**FIRST** - You have to go to **SETTINGS** and make sure you turned this feature **ON**.

---

---

---

---

---

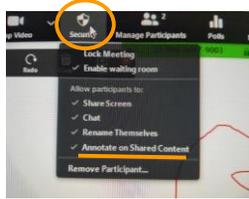

---

---

---

### Bonus: Share Screen and Annotate (Your Participants)

**Then** your SECURITY feature will let you turn this feature on or off during your zoom meeting.

---

---

---

---

---

---

---

---

### Bonus: Share Screen and Annotate (Your Participants)

**Next**, you might want to demonstrate one type of writing, drawing, or stamping, so your participants know what to expect.

---

---

---

---

---

---

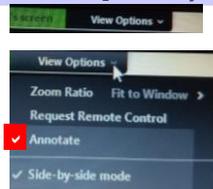

---

---

### Bonus: Share Screen and Annotate (Your Participants)

**Finally**, you can have participants activate it when you are screen sharing.

Tell them to Select "View Options," and then Select "Annotate"

---

---

---

---

---

---

---

---

**Bonus: *Share Screen and Annotate (Your Participants)***

**Remember –**

You can use your SECURITY Icon to **STOP** participants from annotating, when you need to!
