

<https://www.readinga-z.com/>

Reading A-Z is among the family of Learning A-Z websites providing affordable, online curriculum resources.

Launched in January 2002, Reading A-Z now has more than 170,000 members and has won a number of educational awards for its innovation in reading instruction. Among the awards are a Parents' Choice Recommended Award, a Global Learning Initiative Award, and a Teachers' Choice Award. Because it is delivered over the Internet, Reading A-Z is a constantly changing program. Each month, Reading A-Z adds new books, lesson plans, and other resources, thus continually expanding its wealth of materials. The website has more than 2,500 downloadable books (including English, Spanish, and French versions) and thousands of teaching and learning materials. In addition to the K-6 market, Reading A-Z materials have found widespread use at a range of grade levels in special education and special needs, remedial reading, ESL, and ELL.

<https://www.abcmouse.com/>

The Step-by-Step Learning Path presents the full ABCmouse.com curriculum in a carefully designed program of more than 850 lessons in ten levels. As your child completes each lesson, he or she is guided to the next one and is motivated to continue learning by ABCmouse.com's Tickets and Rewards System.

<http://www.poenglishcake.com/>

An interactive [English phonics](#) and vocabulary website that utilizes categorized word lists to help ELL students learn how to read English. An audio recording of each word lets kids practice English pronunciation. There are lessons on three different levels to teach ELL students phonics topics such as short and long vowels, "magic e," consonant digraphs and blends, hard "c" and soft "c", word families, prefixes and suffixes, and the schwa sound. In addition, the lower levels include lessons on sight words. Complete the ESL and EFL lessons in order for step-by-step instruction or choose a lesson topic

<https://www.kizphonics.com/>

Kiz Phonics is an excellent progressive program for teaching kids to read using a **systematic phonics** approach. The Kiz Phonics program is carefully arranged by levels from **Preschool** Ages 3-4, **Kindergarten** Ages 4-6, **1st Grade** Ages 6-7 & **2nd Grade** Ages 7-8. It is suitable for school teachers, home-school parents and other educators trying to help children **learn to read**.

<http://www.readingbear.org/>

Reading Bear, a project of [WatchKnowLearn.org](#), is the first free program online to teach beginning readers vocabulary and concepts while systematically introducing all the main phonetic patterns of written English, all using innovative rich media. We spent an enormous amount of time developing 50 presentations, covering even more phonics principles and illustrating over 1,200 vocabulary items. There is nothing else like it, free or otherwise.
