

# ISOSY STUDENT PORTAL

Williamson February 2024

# WELCOME TO THE ISOSY STUDENT PORTAL

The iSOSY Student Portal serves as a hub to many resources intended for Out-of-School & Secondary Youth. Students with Wi-Fi/ internet capability, now have 24/7 access to many engaging self-paced activities and educational materials.

Don't worry, for students without internet access, they too can benefit from these materials as much of the content is printable.

Let's take a closer look to what it includes!

# WHAT'S THE PURPOSE OF THE PORTAL?

The purpose of the portal:

- ❑ OSY & Secondary Youth with internet access will have 24/7 access to current iSOSY materials and other resources. Including other materials that supplement these branded iSOSY products .
- ❑ Provide a collection of engaging interactive activities to keep the student wanting to expand with their learning.
- ❑ Announce and serve as a hub of recorded lessons with content based on focusing on students interests & needs.
- ❑ Allow students to share their success and maintain connections when not always available.

# WHAT DOES THE PORTAL INCLUDE?

The portal includes:

- ❑ **STAT Lessons (Short, Timely and Targeted)** Astrid's presentation on March 26<sup>th</sup>
- ❑ **COVID-19 Materials-** all up-to-date COVID-19 materials readily available to students using many platforms in 6 languages. There is an informative video to where the student can check for understanding with various edpuzzle questions.
- ❑ **Recorded Lessons & Resources-** if a student was unable to participate in a live lesson, a collection of recorded lessons will be available here
- ❑ **Google Classroom-** Developed interactive activities based on current iSOSY lessons and included supplemental resources to expand the student's learning capacity
- ❑ **Student Success stories**

# WHY USE THE PORTAL

- It's main purpose is for you as the instructor to use this as a tool for your students.
- Use it as a supplemental tool to their current lessons with you
- For those students who have conflicting schedules
- Students who want to expand their learning
