**(2) Early Childhood Measurable Program Outcome (MPO)**

- The program will measure gains for students who have
  - **Both** a pretest score and a posttest score, and
  - **At least 10** hours of instruction, instead of 12 hours of instruction

*Related: Removed the Implementation Indicator targeting a minimum number of hours for instruction.*

### How to Record: *Time on WebApp*

ECA Guidance Doc (Page 6)

- Assessment time and Teaching are both recorded as ELA, ENL, or Math
- When the activities are mixed, use the Supplemental Code that was used the most.
