

Circle of Trust

Who in the community do you trust to support you as you advocate for yourself? Why did you choose this person?

What person at the school do you trust to support you as you advocate for yourself? Why did you choose this person?

Is there another person you think should be in your circle of trust? Why?

Is there someone with the *potential* to be a new Ally to support you? How can you get to know this person better?

Now that you have some names listed, insert them around the circle on page 2 of the worksheet. Include their role, phone number, and email address. This will be your **Circle of Trust**, the people you feel you can contact anytime you need support as you advocate for yourself and your family.
