

Colorful Clay Creations with Lyndsay Clarke

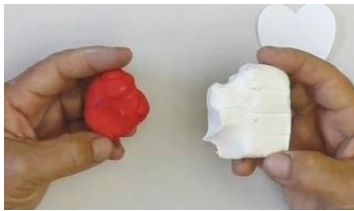

Session Two

Supplies: marker, butter knife, toothpick, paper on your table.

Making the Dragon

1. Mixing Colors with Sculpey clay

Keep pinching & folding until blended.

Red + yellow = orange

yellow + blue = green

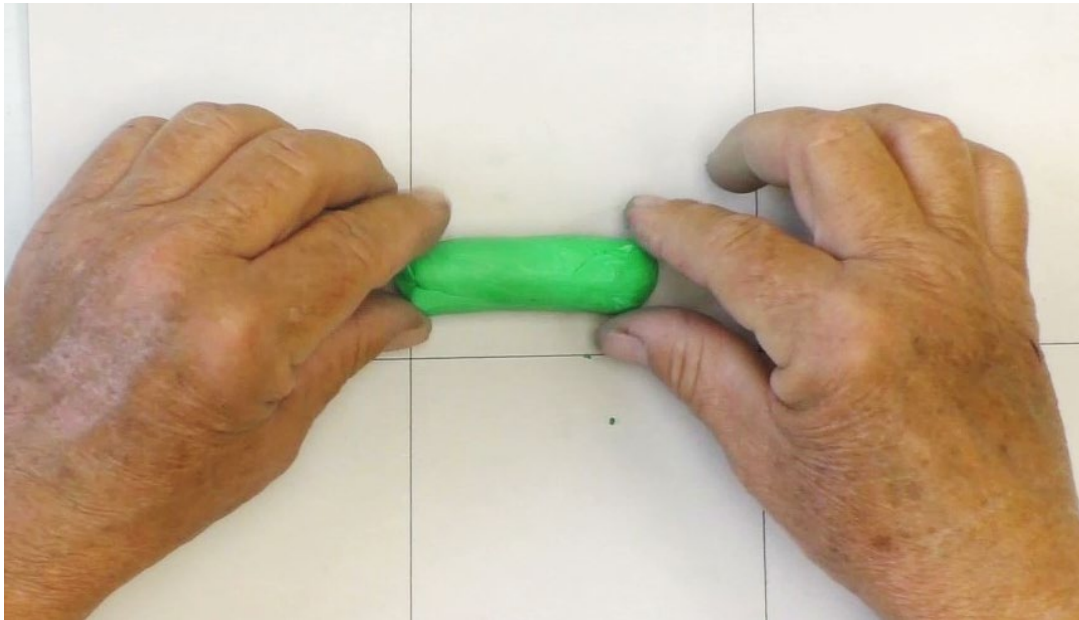

blue + red = purple

White + color = lighter color

Black + color = darker color

Mix different shades of similar colors to get more variations.

2. Dragon's body. You can roll out more clay of the same or different color for the neck and head.

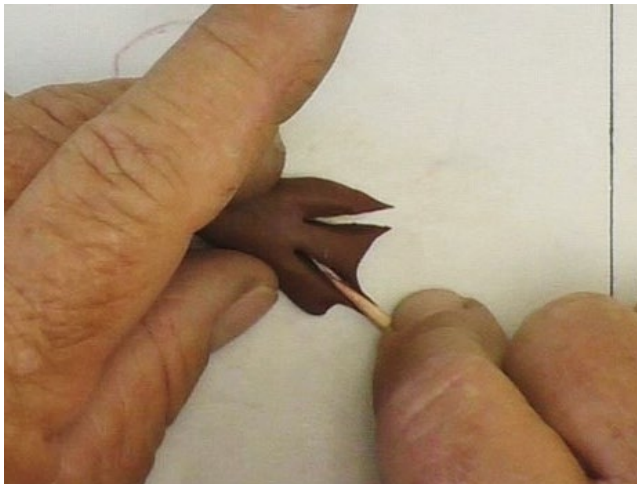

3. Dragon's neck and head—form it, then attach to the body.

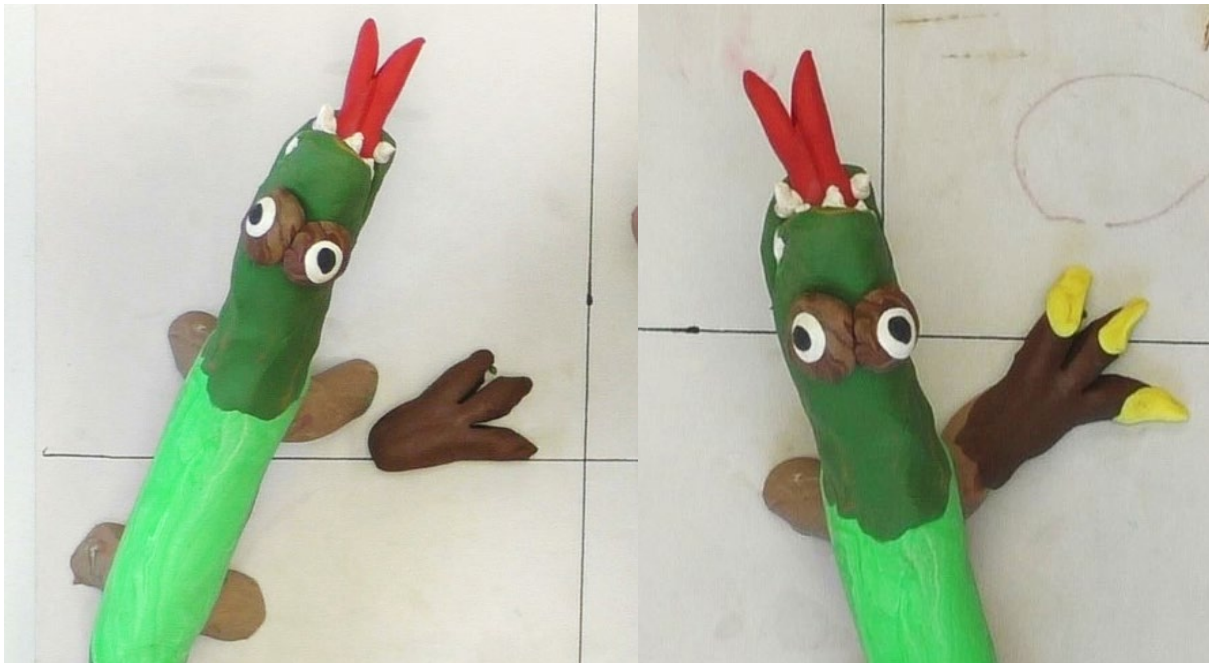

3. Continued

4. Making legs and claws

4. Continued, making claws and nails. (head & neck attached to body)

5. Making the tail, with head not attached yet.

5., Continued, making spikes and scales
