NEW YORK STATE MIGRANT EDUCATION PROGRAM (NYS-MEP)

There are eight regional Migrant Education Tutorial and Support Services (METS) Program Centers in New York State, charged with providing direct educational programs and services to migrant children at homes and in schools. They also link migrant families with necessary academic, social, and health services and provide direct services to migrant families in the areas of academic assistance, advocacy, coordination with schools and community agencies, and other outreach activities.

Students who are eligible for services with the NYS-MEP automatically qualify for free lunch and breakfast at school. The first September after eligibility with the NYS-MEP ends, parents/guardians can complete the application from the school district to find out if their children continue to qualify for the free or reduced lunch prices or not.

If you have questions, use the NYS-MEP contact form. Scan the QR code or [**click here**](#) to go to NYS-MEP contact form.

To read more about the program, check out the NYS-MEP website. Scan the QR code or [**click here**](#) to go the NYS-MEP website.

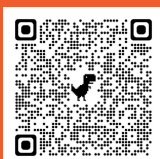

The NYS-MEP compiled information about agencies that provide services across the State. We hope these resources will help you access information to benefit your family.
