

# HOW TO INSTALL & JOIN A MEETING ON ZOOM

## TO INSTALL

1. First, Go to your app store

2. In the search section up on top, type in the word

**Zoom. Then click “Install” Android**

**“Get” iPhone**

3. Once installed, press the **“Open”** button.

4. You can now sign in either using your Facebook or email accounts.

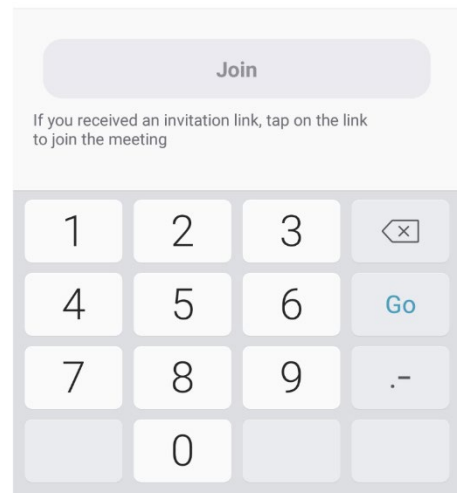

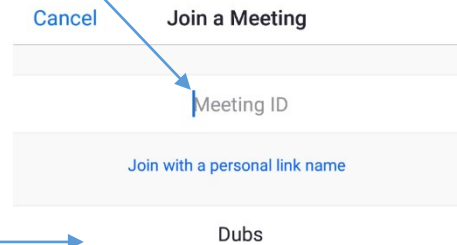

## TO JOIN A MEETING

You will usually receive a text or email with a link that looks like this. If so, just click on the link.

**If not, press “Join a Meeting” you will then need to enter the Meeting ID and choose what name you want to be displayed.**

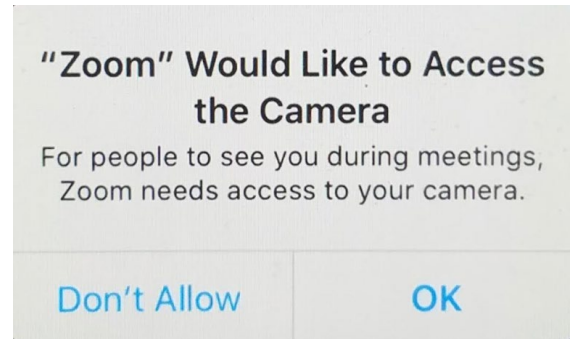

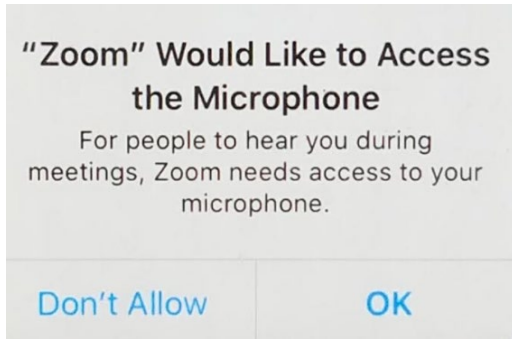

## Once in the Meeting

**Once you have entered the meeting for the first time, your phone will ask you the following:**

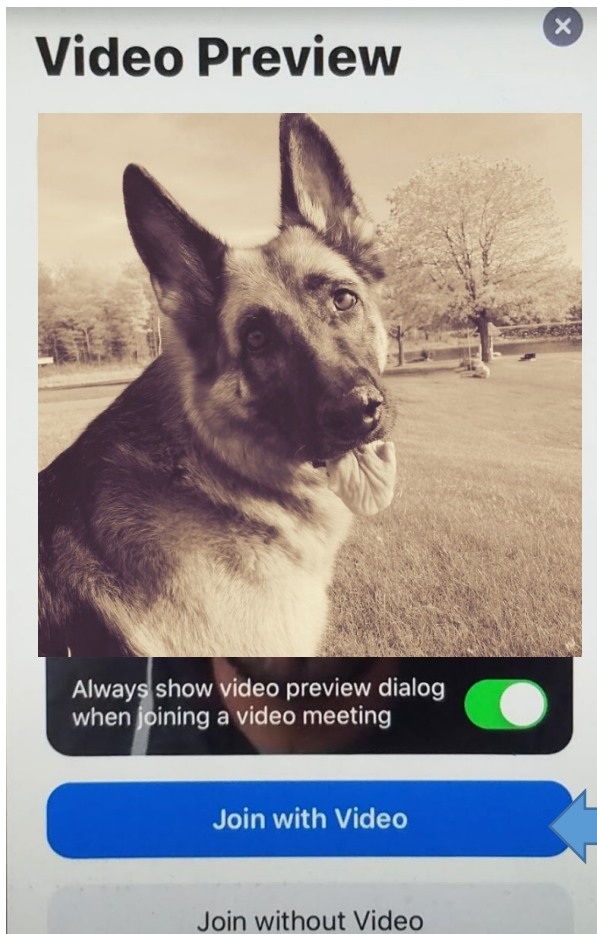

**Enter your name and click continue**

## Click OK on the next 2 windows

## After you hit OK for Camera Access

After clicking the last two, you will enter the meeting

## Zoom Meeting Features

The attendee controls appear at the bottom of your screen, except for Leave meeting which appears at the top-right corner.

**Mute / Unmute:** Mute or unmute your microphone.

**Video:** Start and stop your own video.

**Share:** Start a [screen share](#). You'll be able to select what you want to share.

**Participants:** See who's currently in the meeting. The participants list also gives you access to these options:

- Tap your name if you want to rename yourself or raise your hand.
- **Invite:** [Invite others to join](#) your meeting.
